

A LEADERSHIP OPPORTUNITY FOR A PROVEN DISABILITY RIGHTS LEADER

The Ability Center of Greater Toledo is seeking a new executive director to lead The Ability Center. The Ability Center is a nationally known independent living center looking for a leader with lived experience who will continue and advance the great work of the Center. The Center provides independent living services to the disability community and works to remove all barriers for people with disabilities throughout Toledo, Ohio. The Center's vision is to make Greater Toledo the most disability friendly community in the nation.

Working closely with the board of directors, the Executive Director will position the Center for future growth and development in the region by strengthening and expanding the organization's visibility, fundraising, programming, and adoption of best practice management approaches. This is an ideal opportunity for a strategic and results-oriented leader with a disability to drive significant impact in a dynamic and growing non-profit setting.

As a non-profit with \$5.0 million in annual revenue, The Ability Center has a strong financial foundation. Other programs and development opportunities are funded by a variety of income sources. This balance creates long-term stability that allows the organization to continue existing programming while executing a strategic vision for a better future.

The executive director will lead a staff of fifty dedicated employees who are passionate about their work. The organization provides five core independent living services plus additional services tied to home modifications, assistive technology, and Assistance Dogs. The Ability Center celebrated its centennial anniversary in 2020 and is excited about the possibilities that exist over the next hundred years. Our vision is to create the most disability-friendly community in the country by building partnerships which expand our community's capacity for inclusion.

Responsibilities include, but are not limited to:

- Execute the Center's growth strategy as outlined in the current strategic plan within the realities of COVID-19 in collaboration with the team and Board.
- Partner with organizational leadership, Board, and staff to pilot new initiatives, adapt strategy as needed to meet regional needs, and help develop systems and processes that will support continued growth.
- Manage, support, and develop a team of 50 staff.
- Ensure a collaborative, inclusive, and effective culture by leading staff through coaching and targeted development to ensure individuals are highly engaged and continuously supported in their roles and The Ability Center's consumers and their families are respected and supported.
- Assume responsibility for the financial health and stability of the Center; manage a regional budget of approximately \$5 Million.
- Lead annual planning process and budget development in conjunction with other organizational leaders, staff, and the Board.

- Ensure programs operate at maximum capacity with high quality and fidelity to the independent living philosophy and model.
- Ensure management systems and standards spanning performance management, budgeting, and financial management, tracking, and managing reporting data, and donor/volunteer relationship management are consistent and operate with excellence.
